Our Bacon

Naturally smoked and
fully cooked

Premium Bacon

We use time-honored, traditional methods to craft and smoke our bacon, dedicating hours to the process. Our bacon is slowly smoked over cherry wood, harvested from our very own land, ensuring rich, natural flavor in every bite.

Unlike cheaper bacons we don't use "liquid smoke" to enhance the flavour or add extra water which dilutes flavour but adds weight. So go on, enjoy our 6 flavours. Choose from Pork, Buffalo, Turkey and Chicken.

We offer bacon in English (British back bacon or rashers), Canadian, Italian and German styles. We also customise based on your choice and palate.
